

License & Compliance Documentation

Licenses & Credentials Summary

— Official Credential Reference —

Contractor Licensing

California First Roofing operates under active contractor licenses issued by the California Contractors State License Board (CSLB). The following classifications authorize the roofing, waterproofing, and general building work performed under the Bear Protection Plan.

License Type	Number	Scope
C-39 Roofing Contractor	1094851	Roofing, waterproofing, and weatherproofing
Class B General Building Contractor	1094851	General construction and coordination of trades

How to Verify

The CSLB maintains a public license lookup tool at [cslb.ca.gov](https://www.cslb.ca.gov) where you can confirm active status, bond history, and any disciplinary actions using license number 1094851.

- Visit the CSLB Instant License Check portal.
- Enter license number 1094851.
- Review license status, classification, and bond information.

Regional Offices

California First Roofing maintains operating offices and local crews in San Diego, Los Angeles, and San Jose, with the principal office located in Los Angeles.
